Colours

Entries Due Comp 3
Smoke

“A thing that you see in my pictures is that I was not afraid to fall in love with these people.”

— **Annie Leibovitz**

Hello Everyone,

Well, here we are at the start of a new, and hopefully better year.

Thank you to all of the members and family who came to the Treasure Hunt at the Botanic Gardens, it was wonderful to see everyone again. After a year of only seeing one of our new members on Zoom, it was nice to finally meet Chris Giles in person.

If you could have your Treasure Hunt images uploaded to PhotoContestPro by midnight on Friday, 29th January. Please title each image as per the list, including numbers, ie; 1. On the Water, 2. Curves etc. If you were unable to attend on the day and have taken images elsewhere, you are welcome to upload them BUT they will not be eligible for the End of Year Competition.

The first meeting of the year is on Monday, 1st February, via ZOOM where we will see the Treasure Hunt Images and as well as any holiday photos you would like to share on the night. As usual I will send the meeting link on Sunday. Hopefully we will be back in the hall soon. We are in the process of working out our Covid Safe plan for cleaning and as soon as it is approved, we will transition back to the hall.

The FIRST TWO Competitions of the year are is being treated as per last year, with actual prints not required, the main reason being that we will have interstate judges. If entering any of your images into the End of Year we will require actual prints at that time. Monday is the Due Date for the first Competition of the year, Monochrome, and must be uploaded by midnight, 1st February.

We have a busy February this year, with the first of this years Advice and Discussion Nights being held on the 10th February. If you have any questions, need help with your images, cameras etc, this is the night for you to get some help. Even if we can't help on the night, we will endeavour to follow-up as soon as possible.

We also have Richard Tatti, who will be talking about Astro Photography. If we can get enough members to participate, we may be able to book a weekend workshop with him for a later date.

Lastly on February 22nd, we will have a field trip to Ripponlea Estate Gardens when we get the exclusive use of the gardens for an hour before opening time. There are a few details to confirm still, but I will send out the full details closer to the day.

I'm looking forward to seeing you all on Monday, Cheers Gwen
