## NOVEMBER IN SUMMARY

Image of the Month, November

All Competition Images can be seen at

First up this month was the judging of the last Competition of the year. The Set Subject was “weather”.

I’d like to thank Gary Smith for stepping in to judge when the original judge had to pull out. Gary provided some very helpful advice on the images, with suggestions on how to improve the images.

The new Committee had their first meeting on the 16<sup>th</sup> November to set the syllabus for 2021. We still have a few things to lock in before we upload the syllabus, but see page 2 for the order of next year’s Competitions.

We also had to make the sad decision to not have the Portrait shoot or an End of Year Get Together due to the uncertainty around restrictions and also the number of other groups who will be trying to have parties in parks. Instead we will hold a Start of Year picnic in the Botanic Gardens in January after the Treasure Hunt. Full details will be forwarded in January but it would be great to see as many of you there as possible. The Portrait Shoot will be held at Ripponlea Estate Gardens in February.

Due to the cancellation of the Portrait shoot we thought we thought this would be a good time to introduce a new initiative for next year which was almost universally agreed upon at the A.G.M. We had the inaugural Discussion and Advice Night on Monday, 23<sup>rd</sup> November.

We went over ideas on how the night will run in 2021. These will run once a month on a Wednesday where we can hopefully answer any questions, be it about your camera, editing, almost anything photography related. I have sent an email asking for everyone’s camera and editing program details so we can have the best person there to help out.

As we will be unable to get together as a large group for our End of Year Breakup, if you choose to have small group get togethers, please send in your photos and I will share them with everyone.

### Club Meetings 7.30pm

All Zoom Invites will be sent 24 hours prior to meetings

December 7<sup>th</sup> – End of Year Judging and Awards Night

### Field Trips

No Field Trips Until January 2021

As all field trips have been completed this year, I am putting out a Holiday Break Challenge, but only if you choose to participate. For all images taken between the 1<sup>st</sup> December to the 31<sup>st</sup> January try and have at least one **RED** thing in the image. It doesn't have to be big, or even that obvious, and we will see if we can find it when we share our Holiday images on the 1<sup>st</sup> February.

### Committee Meeting

No Meeting scheduled until 2021
